

Demos to Kick Off Local Campaign This Week End

Democrats from all over California will flock to Los Angeles this week end to kick off the party's local primary campaign.

Close to a thousand of the party faithful are expected to jam the Hotel Statler's Pacific Ballroom Saturday night, March 1, to hear Senator John F. Kennedy of Massachusetts keynote the annual F.D.R. Memorial Dinner.

Los Angeles County State Senator Richard Richards will share the platform with Kennedy at the \$15-a-plate affair. Candidates on the Democratic slate endorsed at the January convention of the California Democratic Council in Fresno will also be present. Attorney General Edmund "Pat" Brown and Congressman Clair Engle, candidates for governor and United States senator, will head the slate group.

Sinatra On Program

George Jessel and Frank Sinatra will headline the light-hearted portion of the program. Jessel will serve in his celebrated capacity of master of ceremonies, and Sinatra is to have a 20-minute entertainment spot midway through the evening gathering, which begins at 7:30 p.m.

During the afternoon Southland Democrats will endorse candidates for the offices of state senator for Los Angeles County and the Fourth District representative on the State Board of Equalization. Delegates to the recent California Democratic Council convention will make the Board of Equalization endorsement, and a convention of Los Angeles County Democratic Clubs will select a state Senate candidate.

Reservations Due

Richards is expected to be unopposed in his bid for the endorsement. Two candidates have presented themselves for the Board of Equalization office. They are Richard Nevins, Pasadena insurance executive, and William Henderson, Los Angeles lawyer.

Keep These

Choices in mind

and you'll be
HOT WATER HAPPY
meal after meal after meal!

1 Choose a Gas Water Heater!
Gas heats water three times faster... easily keeps ahead of the demands of automatic washing machines, dish washers and growing families. Gas costs less, too.

2 Choose Right Size!
Your plumber's approved sizing chart shows the proper size automatic gas water heater for your family. Don't buy an inadequate heater. It overworks—won't last as long nor serve you as well as the right size heater.

3 Choose Quality!
One good way to select a quality gas water heater that won't rust is to make sure it carries the Verified Long Life Seal shown here—or insist on a 10-year warranty when you order.

It's easy to buy a new automatic gas water heater. You can give your plumber all the details he needs over the telephone. You may even arrange convenient terms, credit and financing with him over the telephone.
